CONSTITUTION
OF THE
State of North Carolina

PREAMBLE

Preamble.

We, the people of the State of North Carolina, grateful to Almighty God, the Sovereign Ruler of Nations, for the preservation of the American Union and the existence of our civil, political, and religious liberties, and acknowledging our dependence upon Him for the continuance of those blessings to us and our posterity, do, for the more certain security thereof and for the better government of this State, ordain and establish this Constitution:

ARTICLE I

DECLARATION OF RIGHTS

That the great, general, and essential principles of liberty and free government may be recognized and established, and that the relations of this State to the Union and Government of the United States, and those of the people of this State to the rest of the American people, may be defined and affirmed, we do declare:

The equality and inalienable rights of persons.

SECTION 1. *The equality and rights of persons.* That we hold it to be self-evident that all persons are created equal; that they are endowed by their Creator with certain inalienable rights; that among these are life, liberty, the enjoyment of the fruits of their own labor, and the pursuit of happiness.

Political power and government.

SEC. 2. *Political power and government.* That all political power is vested in, and derived from, the people; all government of right originates from the people, is founded upon their will only, and is instituted solely for the good of the whole.

Internal government of the State.

SEC. 3. *Internal government of the State.* That the people of this State have the inherent, sole and exclusive right of regulating the internal government and policies thereof, and of altering and abolishing their Constitution and form of government whenever it may be necessary for their safety and happiness; but every such right should be exercised in pursuance of the law, and consistently with the Constitution of the United States.

That there is no right to secede.

SEC. 4. *That there is no right to secede.* That this State shall ever remain a member of the American Union; that the people thereof are a part of the American Nation; that there is no right on the part of the State to secede, and that all attempts, from whatever source or upon whatever pretext, to dissolve said Union

or to sever said Nation, ought to be resisted with the whole power of the State.

Paramount allegiance to the U. S. Government.

SEC. 5. *Of allegiance to the United States Government.* That every citizen of this State owes paramount allegiance to the Constitution and Government of the United States, and that no law or ordinance of the State in contravention or subversion thereof can have any binding force.

Public debt; bonds issued under ordinance of Convention of 1868, 1868-'69, 1869-'70 declared invalid.

SEC. 6. *Public debt; bonds issued under ordinance of Convention of 1868, '68-'69, '69-'70, declared invalid; exception.* The State shall never assume or pay, or authorize the collection of any debt or obligation, express or implied, incurred in aid of insurrection or rebellion against the United States, or any claim for the loss or emancipation of any slave; nor shall the General Assembly assume or pay, or authorize the collection of any tax to pay, either directly or indirectly, expressed or implied, any debt or bond incurred, or issued, by authority of the Convention of the year one thousand eight hundred and sixty-eight, nor any debt or bond incurred or issued by the Legislature of the year one thousand eight hundred and sixty-eight, either at its special session of the year one thousand eight hundred and sixty-eight, or at its regular sessions of the years one thousand eight hundred and sixty-eight and one thousand eight hundred and sixty-nine, and one thousand eight hundred and sixty-nine and one thousand eight hundred and seventy, except the bonds issued to fund the interest on the old debt of the State, unless the proposing to pay the same shall have first been submitted to the people, and by them ratified by the vote of a majority of all the qualified voters of the State at a regular election held for that purpose.

Exception.

Exclusive emoluments, etc.

SEC. 7. *Exclusive emoluments, etc.* No person or set of persons are entitled to exclusive or separate emoluments or privileges from the community but in consideration of public services.

The legislative, executive and judicial powers distinct.

SEC. 8. *The legislative, executive and judicial powers distinct.* The legislative, executive, and supreme judicial powers of the government ought to be forever separate and distinct from each other.

Of the power of suspending laws.

SEC. 9. *Of the power of suspending laws.* All power of suspending laws, or the execution of laws, by any authority, without the consent of the representatives of the people, is injurious to their rights, and ought not to be exercised.

Elections free.

SEC. 10. *Elections free.* All elections ought to be free.

In criminal prosecutions.

SEC. 11. *In criminal prosecutions.* In all criminal prosecutions every person charged with crime has the right to be informed of the accusation and to confront the accusers and witnesses with other testimony, and to have counsel for defense, and not be compelled to give self incriminating evidence, or to pay costs, jail fees, or necessary witness fees of the defense, unless found guilty.

Answers to criminal charges.

SEC. 12. *Answers to criminal charges.* No person shall be put to answer any criminal charge except as hereinafter allowed, but by indictment, presentment, or impeachment.

New derivatives of drugs not specifically named in law.

WHEREAS, because of the development of new derivatives of these dangerous drugs since the law was written, which new derivatives are not specifically named in the law, but which have largely displaced the older ones which are specifically named in the law; and, because of opinion by the Attorney General of the State to the effect that the old terminology of the law cannot be interpreted to cover the new derivatives, the protection of Subsection (k) of Section 106-134 of the law has been largely restricted and nullified; therefore, in order to restore the protection that was the intent and purpose of the law, it becomes necessary that Subsection (k) be rewritten so as to include newly developed dangerous drugs and their derivatives: *Now, therefore,*

Such prescription shall not be refilled except on the specific authorization of the prescribing physician, dentist or veterinarian.

Nothing in Subsection (k) shall apply to a compound, mixture, or preparation containing salts or derivatives of barbituric acid which is sold in good faith for the purpose for which it is intended and not for the purpose of evading the provisions of this Act if

(1) Such compound, mixture, or preparation contains a sufficient quantity of another drug or drugs, in addition to such salts or derivatives, to cause it to produce an action other than its hypnotic or somnifacient action; or

All benefits paid claimants during benefit years existing as of June 30, 1949, and for periods of unemployment which establish benefit years following separations occurring prior to July 1, 1949, shall be charged in accordance with the provisions of this Chapter as in effect immediately prior to the effective date of this Amendment notwithstanding the repeal of the provisos formerly contained in Section 96-14, Subsections (a) and (b) of the General Statutes: *Provided, however,* said employer promptly furnishes the commission with such notices regarding the separation of the individual from work as are or may be required by the regulations of the commission."

In those cases in which the reserve account is transferred to the successor in toto, all benefit payments shall be charged to the account of the successor.

AN ACT TO VALIDATE AND CONFIRM THE TRANSFER OR ALLOCATION OF $140,000.00 OF THE PROCEEDS FROM THE SALE OF $750,000.00 IN BONDS AUTHORIZED IN AN ELECTION HELD IN WAYNE COUNTY IN APRIL, 1946, FROM THE PROJECT OF CONSTRUCTING A PHYSICAL EDUCATION BUILDING AT THE GOLDSBORO HIGH SCHOOL AND THE PROJECT OF ENLARGING THE WALNUT STREET SCHOOL IN THE GOLDSBORO GRADED SCHOOLS DISTRICT TO THE CONSTRUCTION OF A NEW ELEMENTARY SCHOOL PLANT ON JEFFERSON STREET IN THE EASTERN SECTION OF SAID GOLDSBORO GRADED SCHOOLS DISTRICT.

Preamble: Wayne County, bond issue for improving and enlarging school buildings of county and certain districts.

WHEREAS, at an election held in Wayne County on the twenty-third day of April, 1946, authority was given to issue $750,000.00 in bonds to be expended for the purpose of improving and enlarging the public school buildings and other facilities in the Wayne County Schools and in the Fremont School District (a charter district) and in the Goldsboro Graded Schools District (a charter district); and

Allocation of proceeds of bonds to Goldsboro Graded Schools District.

WHEREAS, there was allocated and assigned to the Goldsboro Graded Schools District out of the proceeds of said bonds the sum of $140,000.00 which were then allocated to be expended in constructing a physical education building at the Goldsboro High School and in enlarging the Walnut Street School in the Goldsboro Graded Schools District; and

Allocated amount insufficient for intended purposes.

WHEREAS, since said bond election was held on the twenty-third day of April, 1946, it has been ascertained that said $140,000.00 is only sufficient to provide the necessary additional classrooms and essential ancillary facilities to take care of the elementary school population now in the eastern area of the Goldsboro Graded Schools District which has heretofore been served by the Walnut Street School; and

Determination that allotted amount should be spent for construction of new elementary school.

WHEREAS, the Board of Commissioners of Wayne County has at the request of the Board of Trustees of the Goldsboro Graded Schools District made a study and investigation of the situation and has determined that the said $140,000.00 should be expended for the construction of a new elementary school plant on Jefferson Street in the eastern section of the Goldsboro Graded Schools District where the population has greatly increased since said bond election was held and is still rapidly increasing rather than to expend the same for the construction of a physical education building at the Goldsboro High School and for the enlargement of the Walnut Street School; and

Resolution adopted by County Commissioners for reallocation of proceeds.

WHEREAS, at a regular meeting of the Board of Commissioners of Wayne County held in Goldsboro, North Carolina, on Monday, March 7, 1949, a motion was made, seconded and

unanimously carried "That the $140,000.00 assigned to the Goldsboro Graded Schools District out of the $750,000.00 bond issue authorized by an election in April, 1946, to be expended upon the white schools of said district be allocated or reallocated from the project of constructing a physical education building at the Goldsboro High School and the project of enlarging the Walnut Street School to the project of constructing a new elementary school plant on Jefferson Street in the eastern section of the Goldsboro Graded Schools District and that such allocation or reallocation of such funds be and the same is hereby declared to be necessary to make reasonable and adequate provision for the constitutional school term in the Goldsboro Graded Schools District and in accord with the over-all purpose set forth in the bond order adopted in connection with the election authorizing the issue of said $750,000.00 in bonds in April, 1946": *Now, therefore,*

Reallocation declared necessary and reasonable.

WHEREAS, the Rocky Mount Graded School District, created by Chapter 53 of the Public Laws of North Carolina of 1901 and comprising territory wholly within the City of Rocky Mount, was one of the school districts which, by the provisions of Section 4 of Chapter 562 of the Public Laws of 1933, were declared nonexistent except for the purpose of paying their existing indebtedness; and thereafter, pursuant to the provisions of said Section 4, the State School Commission created a new school district out of the territory of said Rocky Mount School District and classified such new school district as a city administrative unit, which new school district or city administrative unit has since been enlarged by procedure under general law, and its territory is now wholly within the City of Rocky Mount, although not in all respects coterminous with said city; and

WHEREAS, the geographical situation of the City of Rocky Mount, lying in two counties, presents problems and complications to the County Commissioners of Nash and Edgecombe Counties in the financing of adequate school buildings in said city, which problems are different in kind or degree from those of any other municipality in the State; and

Negotiations for equitable plan of financing school building needs of Rocky Mount unit.

WHEREAS, representatives of the Board of Trustees of Rocky Mount City Administrative Unit have over a long period of time been in negotiation with the boards of county commissioners of said counties, seeking to arrive at an equitable, just and efficient plan to finance the school building needs of the City of Rocky Mount, and have reached an agreement concerning same, subject to legislative approval; and

Departure from State-wide pattern for financing school projects justified.

WHEREAS, the circumstances applicable to the schools in the City of Rocky Mount justify a departure from the State-wide pattern of legislation for financing the erection of school buildings as applicable to the particular situation above referred to: *Now, therefore,*

The General Assembly of North Carolina do enact:

Rocky Mount City Administrative Unit, special election on issuance of school building bonds.

SECTION 1. Whenever the Board of Trustees of the Rocky Mount City Administrative Unit (hereinafter referred to as "such district or unit") shall by resolution request the Board of Aldermen of the City of Rocky Mount to do so, said board of aldermen shall order a special election to be held in such

The form of the question to be voted upon shall be set forth in the resolution of said board of trustees requesting that said election be ordered. In all such elections the Board of Aldermen of the City of Rocky Mount shall designate the polling place or places, appoint the registrars and judges, and canvass and judicially determine the results of the election upon the filing with it of the election returns by the officers holding the election, and shall record such determination on their records. The notice of election shall be given by publication at least three times in some newspaper published or circulating in such district or unit. The notice shall state the date of the election, the place or places at which the election will be held, the boundary lines of such district or unit, unless such district or unit shall then be coterminous with the City of Rocky Mount (in which event the notice shall so state), the maximum amount of bonds to be issued, and the fact that a sufficient tax will be levied on all taxable property within such district or unit for the payment of the principal of and interest on the bonds. The first publication of the notice shall be at least thirty days before the election. The notice of registration may be considered one of the three notices of election required by this Section. Such published notice of registration shall state the dates on which the books will be opened for registration of the voters and the place or places at which they will be opened on Saturday. The books of such new registration shall close on the second Saturday before the election. The Saturday before the election shall be challenge day. Except as otherwise provided in this Act, such election shall be held in accordance with the laws governing municipal elections of the City of Rocky Mount. The form of the question, as stated on the ballots, shall be in substantially the following words: "For the issuance of $_____ School Bonds and the levying of a sufficient tax for the payment thereof," and "Against the issuance of $_____ School Bonds and the levying of a sufficient tax for the payment thereof."
